DreamSwiss upholstered bed made of fine materials

The DreamSwiss upholstered bed collection combines the presence of a box-spring bed with the naturalness of a genuine Hüsler Nest. Beauty is in the eye of the beholder, as the saying goes. That may be true in general. However, our aim is to create universal beauty.

The DreamSwiss headboards are available in two versions - straightforward as a cube or playful with buttons. You can choose between heights of 110, 130 or 150 centimetres. We also offer the headboard in various extra widths. This means that an additional 20, 40 or even 60 centimetres can be added on both sides on request. The individual parts of our upholstered bed models can be combined - in colours and materials - to suit your individual taste and any bedroom furnishings. You can also choose your own fabrics or leathers and have them processed by Hüsler Nest for your bed and headboard.

- Upholstered bed in box spring look
- Bed frame suitable for Designa sleeping system
- 100% metal-free
- Headboard variants: Cube or button
